Your Shot!!!

[rough sketch of elephant, divided into segments with "1000" on each]

Kill the Elephant!!!

Hope Farm's debt of 30,000—an elephantine load[...]<sup>1</sup> on their hands—has been nearly half killed in 14 shots. It is your shot next. When \$20,000 of the elephant has been shot away, \$3000 more will be given. When 29,000 has been killed, the last 1000 is promised. Take aim!!!
