

Letter, Ann Hunstead to Emily Bissell, December 3, 1908

Christ Church Rectory  
Dover, Del.

My dear Miss Bissell,

I have been very negligent in sending back this receipt. I received it with the stamps on Thursday, + expected to retrieve it + attend to the stamps immediately but have been too ill to attend to anything. I hope I have not inconvenienced you by this delay.

Have you any more posters you could send us. I find those who had them last year have not kept them, + I do think there should be one wherever the stamps are for sale.

We are very anxious to have you speak to the Century Club women on the subject of Social Service + Child Labor some Wednesday afternoon. Do you think

you could give us the third ~~Thursday~~ Wednesday in January? We'd like very much to know soon, as Mrs. Ridgely, who is Programme Chairman, is arranging to have the programmes printed.

I shall be very grateful for any suggestions in regards to our programme on Social Service Day, when we are looking forward to having you with us. I have been a Club woman such a very short time, do not feel at all capable of filling this office recently assigned me, and must say, I feel "shaky."

Hoping to hear you will come to us on the Wednesday mentioned, or any time that may suit you if that does not, I am

Sincerely yours,

Ann Hunstead
