Hope Farm Sanatorium

My dear Miss Bissell,

I am so sorry that you have been ill, but hope you are better. We miss you so much.

The patients enjoyed Mr. Candee's¹ address on Tuesday.

I asked Mr. Blake of Red Clay Church to have a service here on Sunday 3.30 P.M.

[p. 2]

Mr. Blake will assist on Tuesday, when the appointed one cannot fill his engagement. Mrs. Thompson wanted him to substitute.

We have nurses enough now and sick ones are improving.

Elizabeth is in a better humor. I wish she would write to you often, as it has such a good effect on her.

[p. 3]

Miss Bissell, what will we have for "Thanksgiving Dinner"? Our flock of turkeys?

Why don't some one donate some turkeys for our Sanatorium?

Sincerely yours,

Lillian G. Sutton

¹ Best guess at name. May be "Cander."
