

Letter, M. Armstrong to Emily Bissell, February 10, 1918

[p. 1]

Smyrna, Delaware

My Dear Miss Bissell,

I have received the Poster and your very kind letter of explanation with Jacob Riis article enclosed. At the first opportunity I will bring the matter before the Club, and I am sure there will be a real interest taken in the good cause. Shall I return to you the clipping for further use? I can copy from it what I need to use in my

explanation--and also I will take the liberty to use your letter for the same purpose.

I have signed + enclosed the receipt for the 600 stamps.

I thank you for your very kind explanation, and if I should need another Poster for a drugstore could it be supplied? I hope to have the stamps on sale in the Club Room and in a Drug Store.

Faithfully yours,

(Mrs. Jas W.) M. Armstrong
