

Letter, Mary L. Marshall to Emily Bissell, December 17, 1908

[p. 1]

My dear Miss Bissell

Will you send five hundred Christmas stamps to me as soon as possible. The colored people here want to sell the stamps at an affair they expect to have for their church.

[p. 2]

They want me to get them for them. They are very much interested in the work of stamping and tuberculosis.

I hope you will have no further trouble in securing the place you have selected for the Sanitarium. Wishing you a merry Christmas

[p. 3]

and a very happy New Year, I am

Very cordially yours,

Mary L. Marshall
