

Postcard, Rachel S. Howland and Ida M. Ball to Emily Bissell, November 11, 1912

[p. 1]

Nov. 11, 1912

You are earnestly requested in the interests of the West End Reading Room and the Anti-Tuberculosis Society to be present at a conference in the home of Mrs. J. F. Ball, 1019 Park Place, on Friday, Nov. 15, at 3 P.M. The effort to raise \$300000 for the Delaware Hospital, if successful, may so drain the resources of our city as to render the maintenance of other philanthropic agencies a matter of doubt. A conference may evolve some plan by which the life of these organizations shall be assured and their usefulness continued. Please be present.

Rachel S. Howland

Ida M. Ball
